MATT BACAK

2019 & 2020 LEGEND OF THE YEAR

IMPORTANT LEGAL STUFF

Income Disclaimer

This document contains business strategies, marketing methods and other business advice that, regardless of my own results and experience, may not produce the same results (or any results) for you. I make absolutely no guarantee, expressed or implied, that by following the advice below you will make any money or improve current profits, as there are several factors and variables that come into play regarding any given business. Primarily, results will depend on the nature of the product or business model, the conditions of the marketplace, the experience of the individual, and situations and elements that are beyond your control. As with any business endeavor, you assume all risk related to investment and money based on your own discretion and at your own potential expense.

Liability Disclaimer

By reading this document, you assume all risks associated with using the advice given below, with a full understanding that you, solely, are responsible for anything that may occur as a result of putting this information into action in any way, and regardless of your interpretation of the advice. You further agree that our company cannot be held responsible in any way for the success or failure of your business as a result of the information presented below. It is your responsibility to conduct your own due diligence regarding the safe and successful operation of your business if you intend to apply any of our information in any way to your business operations.

Terms of Use

You are given a non-transferable, “personal use” license to this product. You cannot distribute it or share it with other individuals. Also, there are no resale rights or private label rights granted when purchasing this document. In other words, it’s for your own personal use only.

WARNING:

Some of my best subject lines are misspelled or may have bad grammar but, who cares if they worked! - Matt Bacak

IMPORTANT LEGAL STUFF

Income Disclaimer

This document contains business strategies, marketing methods and other business advice that, regardless of my own results and experience, may not produce the same results (or any results) for you. I make absolutely no guarantee, expressed or implied, that by following the advice below you will make any money or improve current profits, as there are several factors and variables that come into play regarding any given business. Primarily, results will depend on the nature of the product or business model, the conditions of the marketplace, the experience of the individual, and situations and elements that are beyond your control. As with any business endeavor, you assume all risk related to investment and money based on your own discretion and at your own potential expense.

Liability Disclaimer

By reading this document, you assume all risks associated with using the advice given below, with a full understanding that you, solely, are responsible for anything that may occur as a result of putting this information into action in any way, and regardless of your interpretation of the advice. You further agree that our company cannot be held responsible in any way for the success or failure of your business as a result of the information presented below. It is your responsibility to conduct your own due diligence regarding the safe and successful operation of your business if you intend to apply any of our information in any way to your business operations.

Terms of Use

You are given a non-transferable, “personal use” license to this product. You cannot distribute it or share it with other individuals. Also, there are no resale rights or private label rights granted when purchasing this document. In other words, it’s for your own personal use only.
